

Be a Part of Palo Alto County Hospital Foundation's Generosity Journey

Money can't buy love, truth or time. It won't prevent death or disaster. It doesn't heal a broken relationship or your heart. It's not a quick fix for bad choices or a substitute for family. It won't make you wiser or less lonely. But money does provide many important opportunities, especially when it comes to health care. This is the blessing of partnering with family, friends, neighbors and other community members in Palo Alto County to support the Palo Alto County Hospital Foundation. When it comes to living healthy lives, we're all in this together, taking care of each other through ensuring our health needs are met. Thank you...for the blessing of your partnership and generosity in helping us to provide the highest possible standards of healthcare to families within our communities.

For more information on how your generosity could influence our communities, please contact johand@mercyhealth.com or call 712-852-5418.
